Teachers Plan Science Fair

Teacher representatives from 18 elementary schools and three high schools of the Torrance Unified School District met recently in the teachers' cafeteria at Torrance High School in the second of a series of meetings to discuss and plan the Torrance Unified Chool District Science Fair.

The Science Fair has been scheduled for Thursday, March 24, and Friday, March 25, and will be held in the Torrance High School boys' gymnasium. This year's Science Fair will present scientific orbibits conpresent scientific exhibits con-structed by students from all school grades.

The Science Fair has been

scheduled sufficiently early to allow prize-winning exhibits to be entered in the Southern California Science Fair to be held in the Los Angeles County

Museum during April.
Students may enter exhibits in four separate fields representing the Biological Sciences, Physical Sciences, the Physiographic Sciences and Mathematics. Student exhibits will be presented in categories or classifications representing the grade level of the entrant.

Each student participating the science fair will receive Certificate of Participation.

a Certificate of Participation. Ribbon awards will be made to first, second, and third place winners.

Judging of the exhibits will be done by a panel of persons from industry, Parent-Teacher Assns. and manufacturing or industrial companies.
